

This publication is offered in three units based on the needs of the subscriber. For additional information, the index and table of contents include all three volumes. If a subscriber has interest in a chart not included in the current subscription, it may be purchased individually from the publications department at 816-783-8300.

These charts do not constitute a formal legal opinion by the NAIC staff on the provisions of state law and should not be relied upon as such. Every effort has been made to provide correct and accurate summaries to assist the reader in targeting useful information. For further details, the statutes and regulations cited should be consulted. The NAIC attempts to provide current information; however, readers should consult state law for additional adoptions.
