

Report of SVO Classification Determinations
Report Number 9A, Dated December 28, 2006

NOTICE: This is an update of the information contained in Report Number 9, dated September 28, 2006.

Under applicable procedures, securities rated by an NRSRO are exempt from filing with the SVO for all purposes. Insurance companies are required to classify filing exempt securities but may request the SVO to classify the security for them either on an after acquired basis or via the ARS/EIV submission procedure. NAIC procedures also provide that any state insurance department may instruct an insurer to file an otherwise filing exempt security with the SVO for classification or other analysis. The SVO also has authority to require an insurer to file a security for classification, an authority we would exercise in conjunction with and through the Valuation of Securities Task Force.

As part of its fulfillment of an assignment, the SVO has previously published a series of Reports (Numbers 1-9) in which it disclosed its classification decisions for hybrid securities that were filed with the SVO at the direction of the New York State Insurance Department.

The SVO has completed the classification assignment for the New York State Insurance Department. However, the SVO has been requested to continue to disclose its classification determinations on any hybrid securities filed with the SVO by insurance companies to support the Hybrid Securities Risk Based Capital Working Group in its efforts to implement the “short-term solution” and to find a “long-term solution” for hybrid securities and the Valuation of Securities Task Force in its efforts to evaluate whether changes are needed to the regulatory framework for hybrid securities.

This Report Number 9A contains the information previously published in Report Number 9 but has been updated today and will be updated in the future with classification determinations for hybrids filed with the SVO by insurance companies on a voluntary basis. Because the filing of a hybrid security that is otherwise filing exemption is at the discretion of an insurance company, the SVO cannot predict if or when it will next update this Report Number 9A.
