3. This Memorandum sets forth the basis upon which the NAIC, acting on behalf of its members, and the FSC propose to provide for mutual assistance and the exchange of information for the purpose of facilitating the performance of insurance regulatory functions under the respective laws, regulations and requirements of the Republic of China and the fifty States, the District of Columbia and the U.S.
territories. The purpose of the Memorandum is to help insurance supervisors maintain efficient, fair, safe and stable insurance markets in the Republic of China and the United States for the benefit and protection of policyholders, by providing a framework for co-operation, increased mutual understanding, the exchange of information and technical assistance to the extent permitted by laws, regulations and requirements.

4. The NAIC and the FSC agree to appoint respective contact officers for the purpose of improving relations between insurance regulators in the Republic of China and the United States; to exchange information and to educate members of the FSC and the NAIC on insurance regulatory practices in the respective countries; to foster open communication among regulators; and to encourage cooperation among regulators on matters of common interest.

5. The Authorities intend to:
   a. use their best endeavors to ensure that the fullest mutual assistance is provided within the terms of the memorandum; and
   b. engage in consultations, as appropriate, on mutually agreeable approaches designed to enhance the integrity and efficiency of their respective insurance markets and the exercise of insurance market supervisory functions.

6. This Memorandum does not modify or supersede any laws, regulations and requirements in force in, or applying to, the FSC or members of the NAIC, or the jurisdictions in which they are authorized to regulate the business of insurance. Nor does it create directly or indirectly any enforceable rights.

Scope

7. The FSC and the NAIC propose to ensure that mutual assistance is provided to the other, subject to applicable laws and overall policy, in the areas of administration and enforcement of the laws, regulations and requirements relating to the business of insurance.

8. Contact officers from FSC and the NAIC should meet once a year at mutually agreeable locations, including during International Association of Insurance Supervisors (IAIS) meetings, but more meetings may be arranged by mutual agreement, if necessary. 11. Additional work on issues of common interest that are identified by the contact officers will be conducted throughout the year as necessary.

12. The FSC and the NAIC recognize the need and desirability of providing mutual assistance and exchanging information to assist each other in better understanding and otherwise coordinating compliance with applicable laws, regulations and requirements. However, assistance may be denied on the grounds of public interest.

Individual Requests for Assistance

13. Any individual request for assistance made under this Memorandum outside the projects identified by the contact officers will, wherever possible, be in writing, but in cases of urgency it may be oral and confirmed in writing within 10 days.

14. A request for assistance made under this Memorandum shall be addressed to one of the requested Authority's contact points listed in Annex 1, or that individual's nominee.

15. In deciding whether to accept or decline a request the requested Authority will, in particular, take account of:

(c) the resources available to the requested Authority to deal with the request.

Consultations and Waiver

16. The FSC and the NAIC will keep the operation of this Memorandum under continuous review and consult with a view to improving its operation and resolving any matters.
17. Where the specific conduct set out in the request for assistance may constitute a breach of a law, regulation or requirement in either the territory of the requesting or the requested Authorities, the relevant Authorities will consult in order to determine the most appropriate means for each Authority to provide assistance.

18. Any of the conditions of this Memorandum may be amended or waived by mutual agreement.
