

*Conference Call*

**MARKET INFORMATION SYSTEMS (D) TASK FORCE**

**Summary Report**

The Market Information Systems (D) Task Force met via conference call Sept. 3 and Sept. 8, 2010. During these calls, the Task Force completed the following:

1. Adopted the Market Conduct Annual Statement (MCAS) Life and Annuity Data Call and Definition revisions. All revisions will take effect Jan. 1, 2011, to be reported by May 31, 2012, with the exception of the “policies/contracts applied for” and “free looks” fields, which will be in effect Jan. 1, 2012, to be reported by April 30, 2013.
2. Adopted the MCAS Property and Casualty Data Call and Definition revisions. All revisions will take effect Jan. 1, 2011, to be reported by May 31, 2012, with the exception of the “complaints” fields, the “lawsuits” changes, the homeowners “loss of use” fields and the mandatory “claimant basis” reporting, which will be in effect Jan. 1, 2012, to be reported by April 30, 2013.
3. Adopted revisions to the MCAS Data Elements Revision Process, so that, beginning in 2011, all changes must be adopted by the Market Analysis Procedures (D) Working Group by June 1 and the Market Regulation and Consumer Affairs (D) Committee by Aug. 1 in order for the changes to be effective Jan. 1 of the following year. MCAS changes adopted after June 1 by the Working Group and Aug. 1 by the Committee will be effective in the second calendar year following their adoption.
