

P/C Annual Statement Preparation Online

November 16-December 9, 2009

Learn the most up-to-date statutory accounting and reporting requirements for property & casualty insurance without ever leaving your office!

After completing this three-week class, you will gain a fundamental understanding of statutory accounting principles, statutory filing requirements, and risk-based capital. You will see how the investment schedules data flows through the other parts of the statement and learn the impact reinsurance has on the insurance business and the required reporting. A sample P/C annual statement will be used throughout to support your learning.

This comprehensive course includes the following units:

- Introduction & Key Terminology
- Statutory Accounting Principles
- Assets
- Liabilities
- an Overview of Schedule P
- the Statement of Income
- Cash Flow
- Reinsurance
- Additional Filings
- an Overview of Investments Reporting
- Risk-Based Capital

This class is designed for those with one to three years of insurance experience, whether reporting, analyzing, auditing or regulating.

Why Should I Enroll?

P/C Annual Statement Preparation Online is structured to allow you to access the course 24 hours a day, so you have flexibility in planning your study schedule throughout the week. As a participant, you will enjoy the benefits of our traditional classroom program in a convenient online format.

National Association of Insurance Commissioners

P/C Annual Statement Preparation Online

November 16-December 9, 2009

Tuition

- \$495 for State/U.S. Government Employees
- \$795 for All Others

Tuition includes assistance from a subject matter expert, comprehensive course materials, password access to the course, continuing education materials (upon request and successful completion), the opportunity to learn and connect with others from across the country, and a 24/7 Help Desk for technical assistance.

About Learning Online

Plan to spend at least two hours a day on this course. Online courses offer great flexibility but also require self-motivation, commitment, good time management skills, and space in which to study. So be sure to plan accordingly. At www.naiconline.org, you'll find a short quiz to help you decide if learning online is the right fit for you. At this website, you'll also be able to check the technical requirements for your PC or laptop. The week preceding the course, you will receive materials, including the Handbook for Distance Learners, sent to the mailing address you supply on the registration form.

Continuing Education

Continuing education materials are sent upon request and based on successful completion of the course (refer to course syllabus for completion requirements). Eighteen (18) hours will be listed on continuing education materials for this three-week online course.

Cancellations

Withdrawals for full refund are permitted up to three weeks before the beginning date of the course; cancellations after this date will result in no refund. Notification of cancellation must be received in writing. If issued, refunds will be mailed after the completion of the course. Substitutions are accepted up to one week before the course begins. For more information regarding refund, complaint and/or program cancellation policies, please contact our office at 816-783-8200 or etrainin@naic.org.

REGISTER online at www.naic.org/education_home.htm or complete and return the registration form below by **October 26**. Space is limited so you are encouraged to register early. You will be contacted via e-mail with confirmation of your registration.
