

Providing flexibility, promoting uniformity

SERFF Training - Online & Interactive!

The System for Electronic Rate and Form Filing (SERFF) team and NAIC Education & Training are bringing SERFF Training directly to you in a live, online format without an increase in price from the prior year. This training is offered by NAIC staff that has over 9 years experience in training SERFF to all state and industry users.

This NAIC instructor-led course is designed specifically for industry personnel associated with submitting electronic filings with the SERFF system. This hands-on training will enable you to better understand the SERFF application and the entire filing process.

Tuition:

\$475.00

Tuition is per individual, per session. Space is limited, so sign up early for your desired session!

For more information on SERFF, visit www.serff.com.

NAIC's SERFF course is comprised of modules, each of which address a particular set of skills or concepts associated with that tool. We provide organizations with the option of managing their staffs' learning experiences by selecting only those modules that meet their specific needs. If your organization has need of this training, please contact us to discuss those options.
