

The CIPR serves: federal and state lawmakers; federal and state regulatory agencies; international regulatory agencies; and insurance consumers. It enhances intergovernmental cooperation and awareness, improving consumer protection while promoting legitimate marketplace competition. The site provides information on current insurance regulatory developments, ongoing CIPR projects, and coverage of a wide-range of insurance industry topics.

The CIPR's organization and navigation shares many of the same elements the NAIC home page as described on Page 1.

Here are the highlights unique to CIPR pages:

1. The NAIC's Central Office/CIPR staff can provide a great deal of information to regulators and lawmakers. Contact information providing direct access to them is vital to the CIPR site's function.

2. Click to see the most current as well as archived issues of the CIPR Newsletter.

3. The A-Z Index of Insurance topics and issues. Click to see detailed analysis and documentation on a wide range of insurance topics and issues.

4. The Key Issues section includes a topical listing of key insurance regulatory issues.

5. The Special Reports/White Papers section provides access to NAIC special reports, white papers and articles on a wide range of insurance regulatory topics and concerns.

6. Statistics Map: this page provides access to state score cards which detail statistics about each jurisdiction's insurance market along with that of the entire US. In addition, links to samples of NAIC research reports and data are provided.
