

How to Navigate to the UCAA Application in I-SITE

To navigate to the UCAA application

1. Enter User ID, Password and then click on Uniform Certificate of Authority
2. Continue through the what's new page
3. Select cocode from the list provided on the UCAA Cocode Selection Screen and proceed
4. Select the filing number from the appropriate application, Expansion or Corporate Amendments
5. Proceed to the UCAA (Expansion or Corporate Amendment) Application Main Menu

If a current UCAA filing for the selected company exists, the UCAA application will now display it.
