The purpose of this bulletin is to set forth the views of [insert the name of the insurance department] regarding insurance companies’ compliance with the requirements for Gramm Leach Bliley Act (GLBA) privacy notices set forth in [insert title and citation for the statute or regulation that tracks the NAIC model Privacy of Consumer Financial and Health Information Regulation].

As required by the Financial Services Regulatory Relief Act of 2006, eight federal agencies\(^1\) adopted a simplified Federal Model Privacy Form. The new Federal Model Privacy Form was developed for use by federally regulated financial institutions to increase consumers’ understanding and ability to make informed decisions regarding the sharing of personal information as required by the privacy provisions of the Gramm Leach Bliley Act (GLBA). Federally regulated financial institutions, that elect to use the new Federal Model Privacy Form, may rely on it as a safe harbor to provide the notices required under the federal GLBA privacy rules.

Insurance Companies that do business in this state may use the new Federal Model Privacy Form or continue to use other types of privacy notices that differ from the Federal Model Privacy Form to meet the notice content requirements of [insert title and citation for the statute or regulation that tracks the NAIC model Privacy of Consumer Financial and Health Information Regulation].

Use of Model Privacy Form

The use of the Model Privacy Form, set forth in Attachment A to this Bulletin, consistent with the Instructions, set forth in Attachments B and C, constitutes compliance with the notice content requirements of [insert citations for sections of statute or regulation requiring initial and annual privacy notices, and opt out notices, that parallel Sections 7 and 8 of NAIC model Privacy of Consumer Financial and Health Information Regulation].

Insurers may rely on use of the attached Model Privacy Form, consistent with the attached Instructions, as a safe harbor of compliance with the privacy notice content requirements of [insert title and citation for statute or regulation that tracks NAIC model Privacy of Consumer Financial and Health Information Regulation].

Use of Other Types of Privacy Notices

Use of the attached Model Privacy Form is not required. Insurers may continue to use other types of privacy notices to meet the requirements of [insert citations for sections of statute or regulation that parallel Sections 7 and 8 of NAIC model Privacy of Consumer Financial and Health Information

\(^1\) Office of the Comptroller of the Currency; Treasury (OCC); Board of Governors of the Federal Reserve System (Board); Federal Deposit Insurance Corporation (FDIC); Office of Thrift Supervision, Treasury (OTS); National Credit Union Administration (NCUA); Federal Trade Commission (FTC); Commodity Futures Trading Commission (CFTC); and Securities and Exchange Commission (SEC)
Regulation] so long as the notices accurately describe the insurer’s privacy practices and otherwise meet the requirements of [insert citations for sections of statute or regulation that parallel Sections 7 and 8 of NAIC model Privacy of Consumer Financial and Health Information Regulation]

Information to Be Included in Privacy Notices

Under [insert citation for section of statute or regulation that parallels Section 7.B. of the NAIC model Privacy of Consumer Financial and Health Information Regulation], if a licensee discloses nonpublic personal information to third parties as authorized under [insert citation for sections of statute or regulation that parallel Sections 16 and 17 of NAIC model Privacy of Consumer Financial and Health Information Regulation], the licensee is not required to list those exceptions in the initial or annual privacy notices required by [insert citation for sections of statute or regulation that parallel Sections 5 and 6 of NAIC model Privacy of Consumer Financial and Health Information Regulation].

When describing the categories of parties to whom these disclosures are made, it is sufficient for the licensee to state that it makes disclosures to other nonaffiliated companies:

(1) For our everyday business purposes, such as [include all that apply] to process account transactions, maintain account(s), respond to court orders and legal investigations, or report to credit bureaus; or

(2) As permitted by law.
There are four versions of the Model Privacy Form.

- Version 1: Model Form with No Opt-Out (pages 4-5).
- Version 2: Model Form with Opt-out by Telephone and/or Online (pages 6-7).
- Version 3: Model with Mail In Opt-Out Form (pages 8-9).
- Version 4: Optional Mail-in Form (page 10).

*In Versions 1 – 4 of the Model Privacy Form, the word “Licensee” should be substituted for the phrase “Financial institution” each time “Financial institution” appears. Accordingly, language proposed to be added to Versions 1-4 of the SEC Model Privacy Form, set forth on pages 4 – 10, is underlined; and language proposed to be deleted is stricken.*

Attachment B - General Instructions

Language proposed to be added to the federal (SEC) instructions is underlined. Language proposed to be deleted from the federal (SEC) instructions is stricken.

1. How the model privacy form is used.
   (a) The model form may be used, at the option of a financial institution licensee, including a group of licensees or financial institutions that use a common privacy notice, to meet the content requirements of the privacy notice and opt-out notice set forth in §§ 248.6 and 248.7 of this part [insert citation for sections of statute or regulation sections that parallel Sections 7 and 8 of NAIC model Privacy of Consumer Financial and Health Information Regulation].
   (b) The model form is a standardized form, including page layout, content, format, style, pagination, and shading. Institutions Licensees seeking to obtain the safe harbor through use of the model form may modify it only as described in these instructions.
   (c) Note that disclosure of certain information, such as assets, income, and information from a consumer reporting agency, may give rise to obligations under the Fair Credit Reporting Act [15 U.S.C. 1681 – 1681x] (FCRA), such as a requirement to permit a consumer to opt out of disclosures to affiliates or designation as a consumer reporting agency if disclosures are made to nonaffiliated third parties.
   (d) The word “customer” may be replaced by the word “member” whenever it appears in the model form, as appropriate.

2. The contents of the model privacy form.

   The model form consists of two pages, which may be printed on both sides of a single sheet of paper, or may appear on two separate pages. Where an institution a licensee provides a long list of licensees or financial institutions at the end of the model form in accordance with Instruction C.3(a)(1), or provides additional information in accordance with Instruction C.3(c), and such list or additional information exceeds the space available on page two of the model form, such list or additional information may extend to a third page.

   (a) Page One. The first page consists of the following components:
      (1) Date last revised (upper right-hand corner).
      (2) Title
      (3) Key frame (Why?, What?, How?).
      (4) Disclosure table (“Reasons we can share your personal information”).
      (5) “To limit our sharing” box, as needed, for the financial institution’s opt-out information.
      (6) “Questions” box, for customer service contact information.
(7) Mail-in opt-out form, as needed.

(b) **Page Two.** The second page consists of the following components:

1. Heading (Page 2).
2. Frequently Asked Questions (“Who we are” and “What we do”).
3. Definitions.
4. “Other important information” box, as needed.

3. **The format of the model privacy form.**

The format of the model form may be modified only as described below.

(a) **Easily readable type font.** Financial Institutions Licensees that use the model form must use an easily readable type font. While a number of factors together produce easily readable type font, institutions licensees are required to use a minimum of 10-point font (unless otherwise expressly permitted in these Instructions) and sufficient spacing between the lines of type.

(b) **Logo.** A financial institution licensee may include a corporate logo on any page of the notice, so long as it does not interfere with the readability of the model form or the space constraints of each page.

(c) **Page size and orientation.** Each page of the model form must be printed on paper in portrait orientation, the size of which must be sufficient to meet the layout and minimum font size requirements, with sufficient white space on the top, bottom, and sides of the content.

(d) **Color.** The model form must be printed on white or light color paper (such as cream) with black or other contrasting ink color. Spot color may be used to achieve visual interest, so long as the color contrast is distinctive and the color does not detract from the readability of the model form. Logos may also be printed in color.

(e) **Languages.** The model form may be translated into languages other than English.
Attachment C - Information Required in the Model Privacy Form

Language proposed to be added to the federal (SEC) instructions is underlined. Language proposed to be deleted from the federal (SEC) instructions is stricken.

The information in the model form may be modified only as described below:

1. **Name of the Institution Licensee or group of affiliated Licensees or institutions providing the notice.**
   
   Insert the name of the financial institution licensee providing the notice or a common identity of affiliated licensees or institutions jointly providing the notice on the form wherever [name of financial institution licensee] appears.

2. **Page one.**
   
   (a) **Last revised date.** The financial institution licensee must insert in the upper right-hand corner the date on which the notice was last revised. The information shall appear in minimum 8-point font as “rev. [month/year]” using either the name or number of the month, such as “rev. July 2009” or “rev. 7/09”.
   
   (b) **General instructions for the “What?” box.**

   (1) The bulleted list identifies the types of personal information that the institution licensee collects and shares. All institutions licensees must use the term “Social Security number” in the first bullet.

   (2) Institutions Licensees must use five (5) of the following terms to complete the bulleted list: income; account balances; payment history; transaction history; transaction or loss history; credit history; credit scores; assets; investment experience; credit-based insurance scores; insurance claim history; medical information; overdraft history; purchase history; account transactions; risk tolerance; medical-related debts; credit card or other debt; mortgage rates and payments; retirement assets; checking account information; employment information; wire transfer instructions.

   (c) **General instructions for the disclosure table.** The left column lists reasons for sharing or using personal information. Each reason correlates to a specific legal provision described in paragraph C.2(d) of this Instruction. In the middle column, each institution licensee must provide a “Yes” or “No” response that accurately reflects its information sharing policies and practices with respect to the reason listed on the left. In the right column, each institution licensee must provide in each box one of the following three (3) responses, as applicable, that reflects whether a consumer can limit such sharing: “Yes” if it is required to or voluntarily provides an opt-out; “No” if it does not provide an opt-out; or “We don’t share” if it answers “No” in the middle column. Only the sixth row (“For
our affiliates to market to you”) may be omitted at the option of the institution licensee.

See paragraph C.2(d)(6) of this Instruction.

(d) Specific disclosures and corresponding legal provisions.

(1) For our everyday business purposes. This reason incorporates sharing information under §§248.14 and 248.15 [insert citation for sections of statute or regulation sections that parallel Sections 16 and 17 of NAIC model Privacy of Consumer Financial and Health Regulation] and with service providers pursuant to §248.13 of this part [insert citation for section of statute or regulation that parallels Section 15 of NAIC model Privacy of Consumer Financial and Health Regulation] other than the purposes specified in paragraphs C.2(d)(2) or C.2(d)(3) of these Instructions.

(2) For our marketing purposes. This reason incorporates sharing information with service providers by {an institution} a licensee for its own marketing pursuant to §248.13 of this part [insert citation for section of statute or regulation that parallels Section 15 of NAIC model Privacy of Consumer Financial and Health Information Regulation]. An institution a licensee that shares for this reason may choose to provide an opt-out.

(3) For joint marketing with other financial companies. This reason incorporates sharing information under joint marketing agreements between two or more licensees or financial institutions and with any service provider used in connection with such agreements pursuant to §248.13 of this part [insert citation for section of statute or regulation that parallels Section 15 of NAIC model Privacy of Consumer Financial and Health Information Regulation]. An institution a licensee that shares for this reason may choose to provide an opt-out.

(4) For our affiliates’ everyday business purposes – information about transactions and experiences. This reason incorporates sharing information specified in sections 603(d)(2)(A)(i) and (ii) of the FCRA. An institution a licensee that shares for this reason may choose to provide an opt-out.

(5) For our affiliates’ everyday business purposes – information about creditworthiness. This reason incorporates sharing information pursuant to section 603(d)(2)(A)(iii) of the FCRA. An institution a licensee that shares for this reason must provide an opt-out.
(6) For our affiliates to market to you. This reason incorporates sharing information specified in section 624 of the FCRA. This reason may be omitted from the disclosure table when: the institution licensee does not have affiliates (or does not disclose personal information to its affiliates); the institution’s licensee’s affiliates do not use personal information in a manner that requires an opt-out; or the institution licensee provides the affiliate marketing notice separately. Institutions Licensees that include this reason must provide an opt-out of indefinite duration. An institution A licensee that is required to provide an affiliate marketing opt-out, but does not include that opt-out in the model form under this part, must comply with section 624 of the FCRA and 17 CFR Part 248, Subpart B [insert citation for statute or regulation that parallels NAIC model Privacy of Consumer Financial and Health Information Regulation], with respect to the initial notice and opt-out and any subsequent renewal notice and opt-out. An institution A licensee not required to provide an opt-out under this subparagraph may elect to include this reason in the model form.

(7) For nonaffiliates to market to you. This reason incorporates sharing described in §§248.7 and 248.10(a) of this part [insert citation for sections of statute or regulation sections that parallel Sections 8 and 12(A) of NAIC model Privacy of Consumer Financial and Health Information Regulation]. An institution A licensee that shares personal information for this reason must provide an opt-out.

(e) To limit our sharing: A financial institution licensee must include this section of the model form only if it provides an opt-out. The word “choice” may be written in either the singular or plural, as appropriate. Institutions Licensees must select one or more of the applicable opt-out methods described: telephone, such as by a toll-free number; a Website; or use of a mail-in opt-out form. Institutions Licensees may include the words “toll-free” before telephone, as appropriate. An institution A licensee that allows consumers to opt out online must provide either a specific Web address that takes consumers directly to the opt-out page or a general Web address that provides a clear and conspicuous direct link to the opt-out page. The opt-out choices made available to the consumer who contacts the institution licensee through these methods must correspond accurately to the “Yes” responses in the third column of the disclosure table. In the part titled “Please note” institutions licensees may insert a number that is 30 or greater in the
space marked “[30].” Instructions on voluntary or state privacy law opt-out information are in paragraph C.2(g)(5) of these Instructions.

(f) **Questions box.** Customer service contact information must be inserted as appropriate, where [phone number] or [website] appear. **Institutions Licensees** may elect to provide either a phone number, such as a toll-free number, or a Web address, or both. **Institutions Licensees** may include the words “toll-free” before the telephone number, as appropriate.

(g) **Mail-in opt-out form.** **Financial institutions Licensees** must include this mail-in form only if they state in the “To limit our sharing” box that consumers can opt out by mail. The mail-in form must provide opt-out options that correspond accurately to the “Yes” responses in the third column in the disclosure table. **Institutions Licensees** that require customers to provide only name and address may omit the section identified as “[account #].” **Institutions Licensees** that require additional or different information, such as a random opt-out number or a truncated account number, to implement an opt-out election should modify the “[account #]” reference accordingly. This includes **institutions licensees** that require customers with multiple accounts to identify each account to which the opt-out should apply. An **institution A licensee** must enter its opt-out mailing address: in the far right of this form (see version 3); or below the form (see version 4). The reverse side of the mail-in opt-out form must not include any content of the model form.

(1) **Joint accountholder.** Only **institutions licensees** that provide their joint accountholders the choice to opt out for only one accountholder, in accordance with paragraph C.3(a)(5) of these Instructions, must include in the far left column of the mail-in form the following statement: “If you have a joint account, your choice(s) will apply to everyone on your account unless you mark below. □ Apply my choice(s) only to me.” The word “choice” may be written in either the singular or plural, as appropriate. **Financial institutions Licensees** that provide insurance products or services, provide this option, and elect to use the model form may substitute the word “policy” for “account” in this statement. **Institutions Licensees** that do not provide this option may eliminate this left column from the mail-in form.

(2) **FCRA Section 603(d)(2)(A)(iii) opt-out.** If the {institution licensee} shares personal information pursuant to section 603(d)(2)(A)(iii) of the FCRA, it must include in the mail-in opt-out form the following statement: “□ Do not share information about my creditworthiness with your affiliates for their everyday business purposes.”

(3) **FCRA Section 624 opt-out.** If the **institution licensee** incorporates section 624 of the FCRA in accord with paragraph C.2(d)(6) of these Instructions, it must
include in the mail-in opt-out form the following statement: “☐ Do not allow your affiliates to use my personal information to market to me.”

(4) Nonaffiliate opt-out. If the financial institution licensee shares personal information pursuant to {§248.10(a) of this part} [insert citation for section of statute or regulation that parallels Section 12(A) of NAIC model Privacy of Consumer Financial and Health Information Regulation], it must include in the mail-in opt-out form the following statement: “☐ Do not share my personal information with nonaffiliates to market their products and services to me.”

(5) Additional opt-outs. Financial institution licensees that use the disclosure table to provide opt-out options beyond those required by Federal law must provide those opt-outs in this section of the model form. A financial institution licensee that chooses to offer an opt-out for its own marketing in the mail-in opt-out form must include one of the two following statements: “☐ Do not share my personal information to market to me.” or “☐ Do not use my personal information to market to me.” A financial institution licensee that chooses to offer an opt-out for joint marketing must include the following statement: “☐ Do not share my personal information with other financial institutions to jointly market to me.”

(h) Barcodes. A financial institution licensee may elect to include a barcode and/or “tagline” (an internal identifier) in 6-point font at the bottom of page one, as needed for information internal to the institution, so long as these do not interfere with the clarity or text of the form.

(a) General Instructions for the Questions. Certain of the Questions may be customized as follows:

(1) “Who is providing this notice?” This question may be omitted where only one financial institution licensee provides the model form and that institution licensee is clearly identified in the title on page one. Two or more licensees or financial institutions that jointly provide the model form must use this question to identify themselves as required by §248.9(f) of this part [insert citation for section of statute or regulation that parallels Section 11(F) of NAIC model Privacy of Consumer Financial and Health Information Regulation]. Where the list of licensees or financial institutions exceeds four (4) lines, the institution licensee must describe in the response to this question the general types of licensees or financial institutions jointly providing the notice and must separately identify those licensees or financial institutions, in minimum 8-point font, directly following the “Other important information” box, or, if that box is
not included in the institution’s form, directly following the “Definitions.” The list may appear in a multi-column format.

(2) “How does [name of financial institution licensee] protect my personal information?” The financial institution licensee may only provide additional information pertaining to its safeguards practices following the designated response to this question. Such information may include information about the institution’s licensee’s use of cookies or other measures it uses to safeguard personal information. {Institutions} Licensees are limited to a maximum of 30 additional words.

(3) “How does [name of financial institution licensee] collect my personal information?” Institutions Licensees must use five (5) of the following terms to complete the bulleted list for this question: open an account; deposit money; pay your bills; apply for a loan; use your credit or debit card; seek financial or tax advice; apply for insurance; pay insurance premiums; file an insurance claim; seek advice about your investments; buy securities from us; sell securities to us; direct us to buy securities; direct us to sell your securities; make deposits or withdrawals from your account; enter into an investment advisory contract; give us your income information; provide employment information; give us your employment history; tell us about your investment or retirement portfolio; tell us about your investment or retirement earnings; apply for financing; apply for a lease; provide account information; give us your contact information; pay us by check; give us your wage statements; provide your mortgage information; make a wire transfer; tell us who receives the money; tell us where to send the money; show your government-issued ID; show your driver’s license; order a commodity futures or option trade. Institutions Licensees that collect personal information from their affiliates and/or credit bureaus must include after the bulleted list the following statement: “We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.” Institutions Licensees that do not collect personal information from their affiliates or credit bureaus but do collect information from other companies must include the following statement instead: “We also collect your personal information from other companies.” Only institutions licensees that do not collect any personal information from affiliates, credit bureaus, or other companies can omit both statements.

(4) “Why can’t I limit all sharing?” Institutions Licensees that describe state privacy law provisions in the “Other important information” box must use
the bracketed sentence: “See below for more on your rights under state law.” Other institutions licensees must omit this sentence.

(5) “What happens when I limit sharing for an account I hold jointly with someone else?” Only licensees that provide opt-out options must use this question. Other licensees must omit this question. Licensees must choose one of the following two statements to respond to this question: “Your choices will apply to everyone on your account.” or “Your choices will apply to everyone on your account unless you tell us otherwise.” Licensees that provide insurance products or services and elect to use the model form may substitute the word “policy” for “account” in these statements.
