12. The MOF and the NAIC recognize the need and desirability of providing mutual assistance and exchanging information to assist each other in better understanding and otherwise coordinating compliance with applicable laws, regulations and requirements. However, assistance may be denied on the grounds of public interest.

17. Where the specific conduct set out in the request for assistance may constitute a breach of a law, regulation or requirement in either the territory of the requesting or the requested Authorities, the relevant Authorities will consult in order
to determine the most appropriate means for each Authority to provide assistance. No provision herein shall be interpreted as superseding, amending, revoking or otherwise changing any law relating to the MOF or in the fifty States, the District of Columbia or the U.S. territories.

18. Any of the conditions of this Memorandum may be amended or waived by mutual agreement.
