Re: 2017 Market Conduct Annual Statement

Each MCAS participating jurisdiction, using their [applicable legal authority](#) requires submission of MCAS data for the following lines of business:

Private Passenger Auto	Individual Annuity
Homeowners	Long-Term Care
Individual Life	Health

To determine if your company is required to submit data for one or more of the MCAS lines of business, please review the [MCAS Participation Requirements](#).

If your company is required to file an MCAS, the data is requested for the period Jan. 1, 2017 through Dec. 31, 2017. Submissions for private passenger auto, homeowners, individual life, individual annuity and long-term care are due by April 30, 2018. Submissions for health are due by September 30, 2018.

To submit your annual statement data, use the online tool available on the [NAIC MCAS Web page](#).

We recommend that you check the NAIC MCAS website frequently for updates during the data filing process. It is the responsibility of the company to verify that the company's filings meet the requirements of the data request and other documentation available on the NAIC MCAS Web page.

To the extent permitted by applicable state law, your company's data will be kept confidential.

Additional questions should be directed to mcas@naic.org.

Sincerely,
