Jim L. Ridling, a native Arkansan who has lived and worked in Montgomery since 1987, was reappointed Insurance Commissioner by Governor Robert Bentley on January 17, 2011.

Ridling is a graduate of the University of the Ozarks. Upon graduation in 1967, he entered a management training program with Fireman’s Fund Insurance, leading to several management positions and culminating in his service as executive vice president of U.S. operations, based in California. In 1987, he left California to come back to his native South. He traded his interest in American Express (which owned Fireman’s Fund at the time) for ownership in Southern Guaranty, a Fireman’s Fund subsidiary headquartered in Montgomery, serving as the company’s president and CEO. The following year, Southern Guaranty sold to Winterthur Swiss, and he remained in his previous role and added the duties of chairman until his retirement December 31, 2003.

Following his retirement from Southern Guaranty, Ridling remained active. He and other local business leaders formed River Bank and Trust, where he currently serves as vice chairman.

Ridling is a former chairman of the board of directors for Jackson Hospital and has served on the boards of directors of the Montgomery Airport Authority, the Montgomery Area Chamber of Commerce and the Central Alabama Community Foundation. He is a former chairman of the River Region United Way and continues to be involved in local business, charitable and community activities.

Allen W. Kerr was appointed Arkansas’ 23rd Insurance Commissioner on January 13, 2015, by Governor Asa Hutchinson. Prior to his appointment, Kerr served three terms in the Arkansas House of Representatives, distinguishing himself as a leader and friend of Arkansas taxpayers.

A member of the National Association of Insurance Commissioners (NAIC), Kerr is currently serving as Chairman of the Market Regulation and Consumer Affairs (D) Committee, the Market Actions (D) Working Group, and the NAIC/Industry Liaison Committee. He also serves as Vice-Chairman of the NAIC/Consumer Liaison Committee and will soon start serving as a member of the National Insurance Producer Registry (NIPR) Board of Directors.

In the Arkansas General Assembly, Kerr served as chairman of the Joint Committee on Public Retirement and Social Security Programs. He also served on a variety of other committees, subcommittees and task forces, including the State and Public Schools’ Life and Health Insurance Program Legislative Task Force. During the 88th General Assembly, Kerr served as vice chairman of the House Insurance and Commerce Committee.

Kerr brings to his position more than three decades of experience in insurance and financial services. He opened the Allen Kerr Insurance Agency in March 1981, and by its first year of business, it was ranked No. 1 in production in a district of 40 established agencies.

In 2013, the agency was purchased by Delta Trust and Bank, which was later purchased by Simmons Bank, becoming Simmons First Insurance, of which Kerr served as president. Kerr has been the recipient of many industry awards, including being a four-time member of the Million Dollar Round Table for life insurance production. He was also named “Best Insurance Agent” by Soirée magazine in 2012 and 2013.

A former justice of the peace for Pulaski County, Kerr also served as the budget chair for the Pulaski County Quorum Court. Kerr and his wife, Marliese, make their home in Little Rock and are the proud parents of four children and grandparents of five grandchildren.

Dave Jones is California’s Insurance Commissioner.

Jones was first elected Insurance Commissioner on November 2, 2010, and re-elected November 4, 2014. Jones leads the California Department of Insurance (DOI) and regulates the California insurance market. Insurers collect $310 billion a year in premiums in California, making it the nation’s largest insurance market.

Jones served in the California State Assembly from 2004–2010, where he chaired the Assembly Health Committee, the Assembly Judiciary Committee, and the Budget Subcommittee on Health and Human Services. Named “Consumer Champion” by the California Consumer Federation, Capitol Weekly named Jones California’s “most effective legislator” other than the Assembly Speaker and the Senate President Pro Tempore.

Jones began his career as a legal aid attorney, providing free legal assistance to the poor with Legal Services of Northern California from 1988–1995. In 1995, Jones was one of only 13 Americans awarded the prestigious White House Fellowship. He served in the Clinton Administration for three years as Special Assistant and Counsel to U.S. Attorney General Janet Reno. Jones served on the Sacramento City Council from 1999–2004.

Jones graduated with honors from DePauw University, Harvard Law School and Harvard’s Kennedy School of Government. He and his wife, Kim Flores, have two children, Isabelle and William, and live in Sacramento.

Michael Conway was appointed by Governor John Hickenlooper as Interim Commissioner of the Colorado Division of Insurance (DOI) effective January 1, 2018. In this position, Conway serves as the chief executive of the DOI and oversees the regulation of the insurance industry in Colorado. His role brings together consumers, the insurance industry and other stakeholders to create an inclusive, firm and fair regulatory approach to all lines of insurance such as auto, health, homeowners, life, property/casualty, title and workers’ compensation.

Prior to his appointment, Conway served as the DOI’s deputy commissioner for consumer and compliance services since March 2016. In this time, he was instrumental in developing and guiding strategies regarding health insurance during what was a tumultuous time for that industry in Colorado and the nation. He advised the previous commissioner and the governor’s staff regarding the possible implications of federal changes to the regulation of health insurance in Colorado. Conway’s duties also entailed appearing before state legislative committees to advocate for DOI positions regarding insurance and its regulation. He cultivated relationships with consumer groups and the insurance industry to create a regulatory environment that helped Colorado consumers, but was a fair, level playing field for the industry. He also worked within the DOI to establish objectives that provided for better protection of insurance consumers.

Before joining the DOI, Conway was an assistant attorney general for the Colorado Attorney General’s Office from 2010 to 2016, where he represented the DOI in all facets of the regulation of the insurance industry, including mergers and acquisitions of insurance companies, insurer rehabilitation/liquidation, and producer and company licensure litigation. He served three insurance commissioners during that time. While in the Attorney General’s Office, he worked with the Colorado Attorney General Pro Bono Family Law Clinic, advising clients on matters of divorce and child custody.

Conway has also worked as an attorney for Colorado Legal Services, advocating for indigent clients regarding housing rights, homelessness prevention, evictions and subsidized housing.

With the exception of three years he spent in Miami, FL, for law school, Conway has called Colorado home for nearly 20 years since moving to the state to attend the University of Colorado at Boulder.

Katharine L. Wade was appointed Connecticut’s 32nd Insurance Commissioner by Governor Dannel P. Malloy on March 20, 2015. Wade has more than 20 years of industry experience in the fields of public policy, regulatory compliance, consumer education and outreach.

Wade’s initiatives at the Insurance Department (Department) have enhanced consumer education, regulatory efficiency and customer service. She created a free online consumer letter, “Insurance Matters,” a popular, easy-to-understand publication that features topical issues and is broadly distributed. Her commitment to outreach has helped raise public awareness of the benefits of turning to the Department for help with insurance questions or concerns.

Product and form review turnaround times have markedly improved through process efficiencies and enhanced communication of state standards, ensuring consumer protection while providing greater speed-to-market. Producers and other industry professionals are benefiting from more efficient licensing processes that include a new online pay portal and improved communication with licensees. Wade also has taken a strong role in helping Connecticut businesses of all disciplines manage their costs by encouraging the creation of well-managed, sustainable captive insurers through the Captive Division’s collaborative engagement with business and government.

Under Wade’s leadership, the Department continues to be active in international and national regulatory discussions to ensure a competitive industry and a robust market for consumers. The Department is the lead regulator on six supervisory colleges—a regulatory collaboration among state and international insurance regulators to assess the financial health and risks of our Connecticut-based companies. The Department also is a participating regulator in six supervisory colleges for companies that have divisions in Connecticut.

Wade represents Connecticut on several national and international standard-setting groups. She is a member of the International Association of Insurance Supervisors’ (IAIS) Financial Stability and Technical Committee. Wade is an active member of the National Association of Insurance Commissioners (NAIC). A former Chair of the Health Insurance and Managed Care (B) Committee, she serves on the Executive Committee, Chairs the International Insurance Relations (G) Committee and Chairs the Northeast zone. A member of the IAIS Executive and Policy Development Committees, Wade also sits on the U.S. Department of the Treasury’s Federal Advisory Committee on Insurance, which provides recommendations to the Federal Insurance Office (FIO) on a periodic basis.

Wade works across state government in a number of key initiatives to improve the health and welfare of Connecticut citizens. She is a member of the Governor’s Climate Change Council; the State Agencies Fostering Resiliency Council (SAFR); the state Alcohol and Drug Policy Council; and the board of directors of Access Health CT, the state-sponsored health insurance exchange.

Prior to joining the Department, Wade led a 130-member national team responsible for federal and state governmental affairs, public policy and U.S. compliance for the health and group life and disability businesses at Cigna.

Wade earned a Bachelor’s of Arts in History from Simmons College in Boston. She resides in Simsbury with her husband, Mike, and three children.

Trinidad Navarro was elected in 2016 as Delaware’s 26th Insurance Commissioner. In this role, he oversees the regulation of the Delaware insurance market and the Department of Insurance’s (DOI) consumer protection efforts. In 2014, the most recent data available, the Delaware DOI ranked 10th in the U.S. in total written insurance premium and regulated companies with more than $620 billion in assets. The DOI is the largest consumer protection agency in the state.

A lifelong Delawarean, Commissioner Navarro has an extensive record of public service and is committed to protecting Delaware consumers. He served more than 20 years with the New Castle County Police, retiring as the Public Information Officer after being elected as New Castle County Sheriff in 2010. While a police officer, he received the department’s distinguished Medal of Valor. Prior to that, he worked as a licensed insurance agent. He followed in the footsteps of his father, whose career was servicing the life and health insurance needs of his community. His father’s work demonstrated to him the importance of serving the people who have put their trust in you. Commissioner Navarro put that lesson into action as an insurance agent, a police officer and as sheriff. He knows that serving the needs of the people is the hallmark of every profession and the obligation of every public servant.

Commissioner Navarro is a member of the National Association of Insurance Commissioners (NAIC). He presently serves on the Delaware Health Care Commission, the State Employees Benefits Committee, the Deferred Compensation Council, and the Council on Health Promotion and Disease Prevention.

Commissioner Navarro holds an associate degree in criminal justice from the Delaware Technical and Community College and a Bachelor of Arts from Wilmington University. He has two daughters, Kylie and Hannah, and one son, Jordan. Commissioner Navarro currently resides in Bear, DE, with his wife, Melissa, and youngest daughter, Hannah.

Doug Ommen was appointed Commissioner of the Iowa Insurance Division by Governor Terry Branstad on January 30, 2017, after serving as Interim Commissioner since December 2016.

Ommen has a strong and varied public service background. Ommen’s dedication and desire to serve the public began in seeking justice for victims of fraud in the Missouri Attorney General’s Office, where as an assistant attorney general and then as chief counsel, he led the fight to protect consumers over the course of three decades.

Ommen served as Deputy Insurance Commissioner at the Iowa Insurance Division from August 2013 to December 2016. Ommen also served in the Missouri Department of Insurance from 2005–2008, and as Missouri’s Insurance Director was instrumental for several key regulatory reforms.

Ommen obtained his law degree in 1985 from the Saint Louis University School of Law, and is licensed to practice law in both Iowa and Missouri.

Ommen and his wife, Sharon, have two married children and three grandchildren.

Gary D. Anderson joined the Massachusetts Division of Insurance as its First Deputy Commissioner in February of 2014. Anderson’s responsibilities included strategic planning and policy development for every aspect of the agency, while assisting in decision-making and policy development in matters involving all lines of insurance and developing and advocating legislative and policy priorities for the Administration. His insurance experience began in 1999 with a regional carrier in the northwestern United States.

Just prior to his role as the First Deputy, he served as a Policy Advisor and Senior Counsel in the Massachusetts State Senate President’s Office, where he was involved in a number of policy areas, from the state’s broad efforts to control health care costs to all matters affecting the financial services sector. Prior to his work in the Senate President’s Office, he worked as the General Counsel for the Financial Services Committee, where he handled legislation related to insurance and banking.

Anderson’s private sector work also includes experience at a pharmaceutical company, where he was responsible for negotiating the tiered status of pharmaceuticals in the hospital setting.

Anderson is a graduate of Idaho State University and Albany Law School at Union University.

Jessica Looman is the Commissioner of the Minnesota Department of Commerce. She was appointed by Governor Mark Dayton on November 17, 2017.

As Commissioner, Looman’s priorities include fair treatment of Minnesota consumers, advancing the clean energy economy, and ensuring the fair, efficient, and proper regulation of more than 20 Minnesota industries.

The Department regulates Minnesota’s insurance industry, financial institutions, securities and real estate sector. It also has a major role in overseeing the electric, natural gas and telephone sectors, energy conservation and efficiency, and administering low-income energy programs. Additionally, the Department regulates the accuracy of scales and pumps used for fuel and goods transactions in Minnesota’s economy.

Prior to her appointment as Commerce Commissioner, Looman served as Deputy Commissioner for the Minnesota Department of Labor and Industry (DLI). During her tenure, she led efforts to increase DLI’s efficiency and improve the State’s services for workers and businesses. Innovative reforms led by Looman have reduced costs for more than 110,000 construction permits and 120,000 professional licenses issued by DLI every year. She has also engaged stakeholders to address technical, regulatory and policy issues to help protect and grow Minnesota’s economy.

Prior to her service at DLI, Looman served as General Counsel for the Laborers District Council of Minnesota and North Dakota – an 11,000-member labor organization representing workers in the construction industry. In that role, she focused on organizational development, wages, contract enforcement, and collective bargaining. She also helped with the Laborers Union apprenticeship program, unemployment insurance, labor standards, workforce diversity, and other workplace issues.

Looman is a graduate of George Washington University (B.A. in political science) and the University of Minnesota Law School (J.D.). She lives in Saint Paul with her husband and two sons.

Matthew Rosendale was elected Commissioner of Securities and Insurance, Montana State Auditor in 2016. Rosendale puts the people of Montana first by serving as a watchdog and protecting Montana’s securities and insurance consumers. He is committed to putting Montanans back in charge of their own health care by increasing choices, removing hurdles that increase premiums, improving access to health care, and removing government from between patients and their doctors. As a member of the State Land Board, Rosendale also is one of five Montana elected officials responsible for the management of more than 5 million acres of state trust lands.

Rosendale has called Montana home for a long time and established deep roots in the community. He and his family chose to live in Montana because Big Sky Country represents the values he and his family hold dear: God, liberty, and an individual’s right to rule himself or herself without the pressing hand of an intrusive government. Those basic and fundamental beliefs pushed Rosendale to run for public office, and he served in the state legislature representing Northeastern Montana for six years prior to his election as auditor. During Rosendale’s service in the legislature, he demonstrated a strong ability to work with elected officials from both parties to cut unnecessary spending and protect Montanans’ constitutional rights.

Before running for public office, Rosendale worked in real estate, real estate development and land management, where he built his small family business into a full-service firm. With his extensive background in managing various types of land, Rosendale brings unique skills and experience to the State Land Board, which generates millions of dollars to fund the Treasure State’s K–12 public education system through natural resource development and land management.

Rosendale and his wife, Jean, have been married for more than 30 years. They own and operate their ranch north of Glendive, where they raised their three sons. When Rosendale is not serving the people of Montana in Helena, you can find him fixing fences or hunting along the river bottom.

During the 2013 legislative session, legislation effectuating a constitutional amendment passed in the 2012 general election (HB 45) that removed the insurance division from the Public Regulation Commission and created a stand-alone agency, The Office of Superintendent of Insurance. This change was effective July 1, 2013.

This legislation also created a nominating committee for the position of the Superintendent of Insurance. The nomination committee unanimously reconfirmed John G. Franchini to continue in his capacity as Insurance Superintendent for New Mexico.

Franchini has more than 35 years’ experience in the insurance industry. He “temporarily” joined Consolidated Agency, his father’s independent insurance agency, while attending graduate school at the University of New Mexico. Ten years later, he purchased the business and expanded it to four locations, employing 82 people and servicing nearly 15,000 customers. During that time, he served on the New Mexico Workers’ Compensation Assigned Risk Pool board of governors and the Patient Compensation Administration board of directors, and he was elected president of the Independent Insurance Agents of New Mexico. In 1998, Poe & Brown, a national insurance broker, purchased the business. Franchini was named vice president, and his responsibilities included new business production, development of specialized insurance programs and agency acquisitions.

Franchini joined New Mexico Mutual in 2002 and was eventually named vice president of government and industry affairs. At New Mexico Mutual, he worked with state legislators, members of regulatory agencies and insurance agents to strengthen the company’s financial and public standing.

He also is a member of the Leadership New Mexico Class of 2007, former board member of the Rocky Mountain Insurance Information Association and past president of the New Mexico Insurance Association.

Franchini is a native of New Mexico and a graduate of Creighton University in Omaha, NE.

Maria T. Vullo was confirmed by the New York State Senate as Superintendent of the Department of Financial Services (DFS) on June 15, 2016. She was nominated for the position by Governor Andrew Cuomo. As Superintendent, she is responsible for protecting consumers and markets in New York State from fraud and financial crises, as well as reforming the regulation of financial services to keep pace with the industry’s rapid evolution.

Prior to joining the DFS, Vullo was a litigation partner at Paul, Weiss, Rifkind, Wharton & Garrison LLP, where she led civil, criminal, and regulatory investigations before courts and governmental authorities across the country. She also served as Executive Deputy Attorney General for Economic Justice Division in the Office of the New York State Attorney General, under New York State Attorney General Cuomo. There she oversaw the Bureaus of Investor Protection, Antitrust, Real Estate Finance, Consumer Frauds and Internet, leading investigations across New York State to protect investors and consumers from fraud.

Over the course of her career, Vullo’s specific legal experience has included litigations and investigations involving the financial services sectors and fraud, real estate, health care, insurance, tax, consumer protection, bankruptcy, antitrust, and constitutional law. An accomplished trial lawyer, Vullo has also argued before the U.S. Supreme Court, the U.S. Courts of Appeals for the Second, Ninth, and Tenth Circuits, and the New York State Appellate Division.

Vullo is a recognized leader in protecting women’s rights, including representing women raped by soldiers during the 1992-1995 Bosnian War – a case in which she secured a $745 million jury verdict for the plaintiffs. Her pro bono work also includes securing a $100 million jury verdict representing abortion providers whose lives had been threatened by an online “hit list” and numerous amicus curiae briefs to the U.S. Supreme Court in significant civil rights cases.

Vullo was twice nominated by the New York State Commission on Judicial Nomination as a candidate for Associate Judge of the Court of Appeals. She has been named a “New York Super Lawyer” by Super Lawyers Magazine and has been included in numerous leading lawyer lists published by the National Law Journal and other leading publications.

Vullo recently received the New York Women Making a Difference Award from Eleanor’s Legacy, the Humanitarian of the Year Award from the Interfaith Nutrition Network, and the Distinguished Corporate Citizen Award from A Better Balance, among many other awards and professional recognitions.

Vullo earned her J.D. from New York University School of Law, an M.P.A. from the New York University Wagner Graduate School of Public Service, and a B.A. from the College of Mount Saint Vincent. She clerked for the Hon. John A. MacKenzie, U.S. District Court, Eastern District of Virginia, following law school prior to entering private practice.

North Carolina Insurance Commissioner and State Fire Marshal Mike Causey has been a small businessman, insurance agent and insurance agency owner with 25 years in the insurance industry.

Causey is a native of Guilford County and still lives in the same house on the Causey family farm where he grew up, residing there with his wife of 43 years, Hisae, and their family pets.

Causey learned the values of hard work as his family grew produce and raised livestock on the family farm and supplied farmers’ markets in the Greensboro area. After high school, Causey entered a work/study program at Wake Technical College, where he earned his degree in engineering technology. From there, he went into the U.S. Army, where he served as a military policeman and played in the Army band. After his military experience, Causey worked as a field engineer in the construction industry and later entered an engineering program at UNC–Charlotte. He soon began his career in the insurance industry, working with Metropolitan Life Insurance Company in Charlotte. He went on to learn virtually every facet of the insurance industry, working as an agency manager and superintendent of agencies for Standard Life Insurance Company and owning his own agency.

Along the way, Causey continued his education with an undergraduate degree and graduate studies from High Point University. In addition to his experience in the insurance industry, Causey has been a lifelong farmer and entrepreneur, owning several family businesses, including an antique store, a farm equipment dealership and a produce market.

Causey likes to stay busy and looks forward to learning the insurance and safety needs of North Carolina families and businesses as he seeks to serve the citizens of North Carolina.

Jillian Froment was appointed Director of the Ohio Department of Insurance (DOI) in 2017 by Ohio Governor John Kasich. She serves as a member of the Governor’s cabinet and is responsible for the overall leadership and direction of the DOI.

Froment joined the DOI in 2011 as Chief Administrative Officer and was soon elevated to Deputy Director. Beyond her daily operational responsibilities for the DOI, Froment was responsible for working with a task force of Ohio insurance industry chief executive officers (CEOs) to review and implement improvements to Ohio’s regulatory environment and to create a robust workforce for Ohio’s insurance industry. Through these efforts, she worked to benefit Ohio consumers by removing regulator barriers that needlessly drive up the cost of insurance while also strengthening meaningful consumer protections.

Froment has actively represented Ohio in the National Association of Insurance Commissioners (NAIC), which establishes industry standards for all 50 states, and has served on the Cybersecurity (EX) Task Force, the Innovation and Technology (EX) Task Force, the Big Data (EX) Working Group and the Unclaimed Life Insurance Benefits (A) Working Group. She is currently serving as the Treasurer of the Interstate Insurance Product Regulation Commission (IIPRC) and was recently named by Columbus Business First as one of the “People to Know” in the insurance industry.

Froment has more than 15 years of public sector and executive experience with a reputation for streamlining organizations and realizing operational efficiencies. She came to the DOI from the city of Marysville, where she was the City Administrator and responsible for the smooth and efficient management of municipal services and more than 150 employees. Under her leadership, the city developed a culture of active community engagement, strategic planning and fiscal responsibility.

Froment holds the distinction of being the first Executive Director for the eTech Ohio Commission, an agency created under her leadership to consolidate the state's investment in the telecommunications networks used by Ohio's public broadcasters and the K–12 community. While at eTech Ohio, Froment worked to advance education and accelerate the learning of Ohioans through technology. She also has served as the Assistant Deputy Director and General Counsel in the Office of Collective Bargaining and as a compliance officer for the Ohio Department of Youth Services.

Froment earned a Juris Doctor degree from Capital University and a Bachelor of Science in engineering from The Ohio State University.

When he took office in January 2011, John Doak’s goal was simple: Do everything possible to improve the lives of Oklahomans. He’s done that with groundbreaking initiatives, fiscal conservatism and an unwavering commitment to public service.

Under Doak's leadership, the Oklahoma Insurance Department (OID) has transformed itself into a proactive and mobile organization. His team fans out across the state to educate citizens before disaster strikes and offers assistance after it does. OID employees have responded to tornadoes, earthquakes, wildfires and ice storms to help victims quickly recover from catastrophe.

Doak’s accomplishments include holding the state’s first-ever rate hearing on earthquake insurance premiums, returning $40.5 million in unspent funds to the state treasury, attracting over 100 captives to Oklahoma and hosting a Healthcare Innovation Summit that offered cutting-edge solutions to the country’s healthcare challenges. He has also testified in front of U.S. Senate committees seeking input on insurance fraud and the health care exchanges.

Doak is an active member of the National Association of Insurance Commissioners (NAIC) where he serves as chair of both the Antifraud (D) Task Force and the Midwest Zone. Doak also represents the NAIC with the Organisation for Economic Co-operation and Development and is a member of the Federal Emergency Management Agency (FEMA) National Advisory Council.

Doak graduated from the University of Oklahoma with a Bachelor of Arts in Political Science. Shortly after college he launched a successful insurance business in Tulsa. Later, he served as an executive for several risk and insurance service companies including Marsh, Aon, HNI and Ascension.

Prior to this, she served as Chief of Staff for the Pennsylvania Insurance Department alongside former Insurance Commissioner Teresa Miller beginning in June 2015. In this position, Altman served as the top aide to former Commissioner Miller, oversaw policy initiatives for the agency, and coordinated policy with other state government agencies and external groups.

Altman represented the department in a number of statewide initiatives including coordinating aspects of Health Innovation in Pennsylvania, which leverages funds from the Centers for Medicare and Medicaid Services’ State Innovation Model Initiative and sitting as a board member for ABC-MAP, the Commonwealth’s initiative to implement a prescription drug monitoring program. She is also an active member of the National Association of Insurance Commissioners (NAIC), where she currently serves as Vice Chair of the Health Insurance and Managed Care (B) Committee, and the National Academy for State Health Policy, where she serves as Vice Chair of the Health Care Access & Finance Steering Committee.

Prior to his appointment as Insurance Commissioner, Kiser served five terms with the Utah Legislature, where he specialized in sponsoring legislation regarding insurance issues, medical care and consumer advocacy. He is particularly proud of his legislative record, which shows his willingness to work on both sides of the aisle as a consensus builder. He used his political acumen to great effect as chair of the Utah House of Representatives’ Business, Economic Development and Labor Appropriations Subcommittee; as a member of the Council of State Governments West Executive Committee; and as vice chair of the CSG West International Trade Committee, as well as other boards and committees. He continues this leadership role as a previous chair of the National Association of Insurance Commissioner’s (NAIC) Producer Licensing (EX) Task Force and as a current member of the National Insurance Producer Registry (NIPR) board and vice chair for the Valuation of Securities (E) Task Force and Financial Regulation Standards and Accreditation (F) Committee.

Kiser attended Ricks College in Idaho on a basketball scholarship. After moving to Salt Lake City in 1976, he founded Kiser Insurance Agency, where he sold insurance for more than 35 years before being appointed Insurance Commissioner. He and his wife, Julie, have nine children and 30 grandchildren. He enjoys golf, motorcycles and his family.
